

NPO OF THE WEEK!

**SANCTUARY FOUNDATION FOR VETERANS/
LASHAUNDA CARTER**

May 12, 2020

We at the Nonprofit Development Center of Southern New Jersey are so proud to feature our community advocate for veterans, **Ms. Lashaunda Carter** and her inspiring organization, **Sanctuary Foundation for Veterans**, this week.

Sanctuary Foundation for Veterans is one of the 2020 recipients at our Annual Non-Profit Organization Awards Celebration Dinner, which will be held in October. We are recognizing this outstanding NPO partner as the **NPO of the Year** for its dedication to the veteran community. It truly is an organization of impact which has assisted a numerous amount of veteran families since its inception in 2015.

Sanctuary Foundation for Veterans assists veterans and their families as they transition back into civilian life. Sanctuary Foundation is a vital connector for vets to find all the social service and health supports they may need including healthcare and housing.

Please join us in congratulating LaShaunda for her work at Sanctuary Foundation for Veterans!
