

NPO OF THE WEEK!

BERNADETTE SHANAHAN/ BOYS & GIRLS CLUB OF CAMDEN COUNTY

May 26, 2020

We at the Nonprofit Development Center of Southern New Jersey are so proud to feature our Community Executive of the Year, Bernadette Shanahan and her organization, Boys and Girls Club of Camden County, this week.

Bernadette is one of the 2020 recipients at our Annual Non-Profit Organization Awards Celebration Dinner, which will be held in October. We are recognizing her as the outstanding NPO Executive for her tremendous dedication to the children of the Camden County community. She has inspired and assisted hundreds of youth during her time with the Boys and Girls Club.

The Boys and Girls Club of Camden County hosts a myriad of programs supporting youth of all ages as they learn and grow in our community. Hundreds of children annually participate in their many different clubs and activities where they learn skills to help them with their education, leadership development, healthy eating habits, and future plans from supportive staff.

Please join us in congratulating Bernadette on her exceptional work as Executive Director of Boys and Girls Club Camden County, our NPO of the week!
