## SOARING in SUCCESS MODE!

*Successful Sustainability in a Non Profit Organization.*

**We have now entered the last quarter of 2020** and South Jersey Non Profits (as a whole) appear to remain stable. Here at NPDCSNJ, our board members have stepped up to the plate not once but twice, to help with that stability in some small way. Since the pandemic began, we have successfully awarded 7 non profits with small grants to help during this COVID-19 stay at home order. Our goal at the NPDCSNJ is to educate, connect and celebrate. We have an amazing line up of fall and spring workshops available to non profits. Visit our website at [www.npdcnj.org](http://www.npdcnj.org) to learn more and to register.

In addition, we have an array of talent within our organization to aid in capacity building within your non profit. Please feel free to reach out to me at [infonpdcnj@gmail.com](mailto:infonpdcnj@gmail.com) to learn how our board and advisory board members can assist you. Lastly, I'm so excited to invite you to attend our 8th annual awards ceremony, virtually !! Join us Thursday, October 8th at 4:30 pm for this event! Remember to stay healthy, stay safe and stay serving the non profit community as you prepare for the upcoming holiday months. Until next quarter....From "E.D." to you. 😊
