## Non Profit Community

**Southern New Jersey  
NPO'S...We hear you!  
What are you saying?  
You need resources to  
do what you are  
passionate about doing!**

**Join our new visibility  
campaign. POP 99.9 FM  
radio will feature a zoom  
interview for a NPDCSNJ  
NPO of the Week! Visit  
[www.npdcnj.org](http://www.npdcnj.org) to learn  
how your non profit can  
have 10 minutes to  
discuss what your non  
profit does and who it  
benefits.**

*Springtime*....it always shows up! It is just like many of South Jerseys Non Profit Organizations. Communities can always count on their local, regional or statewide NPO's to be there to lend a helping hand! **2021** is proving to be no different, YET, definitely more creative 😊. Why is this year turning out to be an amazing year for South Jerseys Non Profits? I'm glad you asked. Let me first add that last years pandemic was possibly one of the most turbulent years in our nation. The non profit sector had to demonstrate a level of resilience from a brand new perspective, *A Pandemic Perspective*. More people found themselves scouring the internet for some form of philanthropic and benevolent life when the pandemic broke out last spring. People simply needed help. We understood that and that's why our amazing board members dug deep and financed 7 mini grants last summer to do their part in assisting the South Jersey Non Profit communities. And now, we believe that its time for us to do more. **On April 1, 2021**, we launched our *Introductory Membership Package* to celebrate 15 years of serving South Jerseys Non Profits! We recognize that professional development and education is key to your growth and we want to see your NPO grow. **Visit our website today** to sign up and become a member. **In honor of our 15th year**, we are offering a \$15 discount and instead of \$75 for your first year, you can **join for just \$60**. You get **8 amazing benefits** and **admission to a free introductory breakfast** when you sign up, so go ahead...Join today.
